STUDENT AUTOMOBILE USE AND PARKING

Students and parents must agree that:

- The District retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property.

- The District may inspect the interiors of student automobiles whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials are contained inside the automobiles.
- Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.
- A student who fails to provide access to the interior of the car upon request of a school official will be subject to school disciplinary action and loss of parking permit.
- If the student fails to follow school policy and procedure related to use of vehicles, the vehicle may be “booted” or towed away and stored, at the owner's expense. No warnings for illegal parking are necessary before towing.
- The speed limit is 10 miles per hour.
- Students must park only in their assigned parking place. The permit number on the decal must match the student parking space number.
- The permit decal must be affixed to the driver's side window.
- The permit decal is not transferable and is to be used only by the student who was issued the permit.
- The school is not responsible for vandalism or theft involving the permitted vehicle.
- Assigned spaces are guaranteed from 7:30 a.m. to 3:30 p.m. on school days.
- The parking lot is a facility provided by Catalina Foothills High School. Students use it at their own risk. The school is not responsible for theft or damage. Students are encouraged to lock their cars at all times.

Student may lose parking permits without refund for:

- | | |
|--|---|
| Reckless Driving | Off-campus violations |
| Transferring a permit to an unauthorized vehicle | Any alcohol or drug misconduct |
| Excessive unexcused absences in a semester | Any discipline resulting in a suspension |
| Excessive tardiness | (Students may lose parking privileges for their senior year for excessive absences, severe discipline or having a GPA below a 2.0). |

Suspension of driving privileges, the booting of vehicles, towing at the owner’s expense, and/or suspension from school may occur when violations of these regulations occur. It is a privilege, not a right, to park on school grounds. The above rules and regulations are strictly enforced.
