Announcements & Thoughts:

When students are curious, teaching and learning are never a chore. Whereas motivation that comes from the outside (via incentives and rewards) tends to be fragile and short-lived, motivation that comes from inside ourselves, from the wellspring of genuine curiosity, is much like a wildfire: It cannot be tamed, it will take sudden new turns or directions, and it will seek fuel in whatever way it can. In a classroom based on students' curiosity, teacher needn't ever worry about motivation."

(Wendy L. Ostroff, ASCD p. 3)

The SY 2016-2017 motto is #honest&kind: focusing on Respect, Honesty, Humility, Kindness, Resilience, Innovation, and Community. This school year promises to be a great year as we set high expectations for learning and for positive character.

Sweep begins Monday August 29th!
