Announcements & Thoughts:

Excerpts from Cultivating Curiosity in K-12 Classrooms

Embrace Intrinsic Motivation--

"When the impetus for learning comes from outside rather than inside, the student's focus is concentrated on pleasing others (what my colleagues and I refer to as "playing the game of school"). It is a performance, involving students less in the learning process or activity itself and focusing them on the outcomes (getting correct answers to the questions posed by those in power, as it were). When an activity is intrinsically motivating, the reward is part and parcel of the act itself."

(Wendy L. Ostroff, ASCD p 46, & 47)

The SY 2016-2017 motto is #honest&kind: focusing on Respect, Honesty, Humility, Kindness, Resilience, Innovation, and Community. This school year promises to be a great year as we set high expectations for learning and for positive character.

Congratulations to the Speech & Debate Team at the Southwest Tournament last weekend at Hamilton High School.
