The SY 2016-2017 motto is #honest&kind: focusing on Respect, Honesty, Humility, Kindness, Resilience, Innovation, and Community. This school year promises to be a great year as we set high expectations for learning and for positive character.

CFHS Senior Sruti Bandlamuri has created a website called The Outpatient Project that explores global health care through the stories of women and girls living in the Tucson area and beyond. She has enlisted the help of fellow classmates, Liz Ketcham, Tai Huesgen and Xiao Glahn. Together, they hope this project will provide a resource and support system. All four plan to continue this work beyond graduation from CFHS.

Parent tip:

It has been brought to the attention of the school administration that across a variety of high school campuses, students are being stealthy and using a new vape (e-cig) called a Juul. These Juuls have a futuristic flat appearance and are made to look more like a thumb drive than an e-cig. They are easily slid into a pocket or rolled into a sleeve for quick and undetected vaping. We have encountered a few incidences of students using this device on campus. Please take this opportunity with your son/daughter to discuss making good, healthy choices.

**Have a great Rodeo Break!**
