Falcon Connection Day - October 23rd

As part of our School Improvement Plan and transfer goal, we have added a new opportunity for students to connect with community professionals and gain knowledge into career paths. We have planned four (4) Falcon Connection Days this year. The first one will take place during Advisory on October 23rd. A variety of community members will be invited to share their professions with students. Students will sign up in advance in their 3rd period Advisory class for these presentations.
