Dear CFHS Parents/Guardians,

The beginning of the 2019-20 school year is fast approaching and we’d like to take this opportunity to welcome our students back! We look forward to the first day of school which is August 8, 2019. Opening day offers excitement and promise for our students and staff to begin establishing a rich and stimulation learning environment. We welcome our new freshman students as well as new sophomores, juniors and seniors to CFHS and look forward to assisting students and families in their transition to Catalina Foothills High School.

It has been a busy summer as we have worked to get everything ready for the new school year. Joining the CFHS team this year are 14 new teachers, 2 new counselors, 3 new office staff, 6 new Educational Assistants and a student population of over 1800 students. House 2, House 4, the Administration Building, and the Fine Arts areas have all undergone renovation over the summer with new floors, paint, and fixtures. The stadium field is finally finished and the new sand-based natural turf is a beautiful green. Our fall teams are anxious to try out the new field.

On Tuesday, August 6th, parents are invited to attend our annual New Parent Orientation from 8:00 am-11:45am. The first session will begin in the Music Hall. This program is designed to provide parents with information that can help them support their students as they make the transition to a new high school. Individual workshops will highlight resources available to support students’ academic and extracurricular growth throughout their CFHS experience. Freshman students are invited to an Freshman Orientation in the Gym from 8:00am-12:00pm and new students in grades 10-12 are invited to attend a New Student Workshop in the cafeteria that day from 10:00 am-12:00 pm. The orientations and workshops are intended to welcome new students, introduce them to other students, and provide another form of support during the year.

In addition, all parents are invited to the CFHS Back-to-School Night on Tuesday, August 6th from 6:00pm-7:45pm. This event provides the opportunity for you to meet your son/daughter’s teachers, walk their schedule, and obtain a brief overview of course expectations. See page 3 for details.

We encourage you to get involved in our Family Faculty Organization (FFO). The FFO meets once a month and is great way to stay informed and to get involved at CFHS. Fall Fling is the FFO’s kick-off event for the year and will take place on Friday August 16th, 6:30-9:45pm. There will be games, food, and family fun. See page 17 for more details.

We have been entrusted to ready our students to possess the content knowledge and skills necessary to be successful in postsecondary education or training programs. We will begin by making connections, providing a rich curriculum and by preparing students to be global citizens.

Again, we welcome you to Catalina Foothills High School. We are looking forward to an exciting and fulfilling school year.

With warmest regards,

Jody Brase
Principal

Dear Parent/Guardian,

We encourage you to join us on Tuesday, August 6th, for the CFHS Back to School Night. This event provides the opportunity for you to meet your son or daughter’s teachers and to obtain a brief overview of course expectations. Copies of student schedules will not be provided; please bring a copy, make sure you have access to ParentVUE, or take a picture of your student’s schedule so that you have the room number of each class. From the Counseling Office

School start-up is a very exciting time of year at CFHS and counselors are busy registering new students, confirming and adjusting class schedules, participating in staff training, etc. Due to time constraints, counselors are unable to schedule appointments or take walk-ins. Please send any schedule change requests to your assigned counselor via email and allow 24-72 hours for response (excluding weekend hours). We are very happy to welcome Rachel Reitz and Stacey Hackett to our CFHS counseling team. Because we’ve added a 6th counselor position, the student alpha assignments have shifted a bit. The counselor assignments for 2019-20 are as follows:

Schedules will be available for student access on VUE starting July 29. Schedules are subject to administrative changes throughout opening so students must review the schedule on VUE for any additional administrative updates made prior to the first day of school (i.e., the schedule they can see on July 29 may not be final).

Schedule changes are prioritized for those that are NECESSARY such as:
- Student failed a class and needs to repeat it
- Student completed a class over the summer and needs an alternative course
- Senior needs a class to meet graduation requirements
- Scheduling error (e.g., a freshman was erroneously put in English 11)

Schedule change requests that are NOT considered:
- Free period assignment – We are unable to build a master schedule that gives every interested student 7th free. Sports, jobs, rides, etc. need to work around the 8:30-3:30 school day.
- Teacher assignment
- Moving from Honors or AP courses to standard (counselor will review circumstances)

We may be able to honor requests for other changes if space allows, but know that class size and/or impact on the rest of the student’s schedule may prohibit a change from being made. As we try to settle the master schedule and class rosters, unnecessary changes will be restricted once school starts. Please make any requests for schedule changes between July 29 and Aug 6 to allow us time to review and attempt adjustments prior to school start.

Students, if you have a necessary/compelling reason to request a schedule change after receiving your 2019-20 schedule on July 29, please email your counselor from your school email account as soon as possible with all of the following information:
1. Your name (first and last) and grade level – include in subject line AND in the body of the email
2. Your (the student’s) most accessible phone number
3. The request: Wish to drop… Wish to add…. Why…

Note: If the change request includes a course that has a fee, please wait to complete the fee payment section of the InTouch online check-in process until the schedule change process has been completed.

IMPORTANT FOR ALL:
Be sure to review your schedule in Student VUE just prior to the first day of school. We are still adjusting schedules as we level classes, adjust for compliance issues, and have other last minute changes that may have required a change to your schedule.

SENIORS: COLLEGE APPLICATIONS: Counselors will be meeting with seniors through their English classes the last week of August – after we get through opening and registration/schedule concerns – to review the college application process. Please hold your college-related questions and requests for appointments or transcripts until after we’ve met with your class. You may certainly start your applications and essays, as well as request, if needed, letters of recommendation from teachers. (Note: UA, ASU, and NAU do not need letters unless applying for the Honors College.) Students may access their course history (classes and grades) in VUE or email gcusack@cfsd16.org for a copy of their transcript. Note: CFHS has discontinued our contract with Naviance and selected MaiaLearning as our new College & Career Readiness platform. We will advise when students are able to log on to request transcripts, etc.

Best wishes for 2019-20!
