A message from Superintendent Kamerzell

Dear CFSD Community,

As many of you prepare for the next two weeks before Spring Break, I want to provide you with information on CFSD’s response to the novel coronavirus (COVID-19), and what you can do at home to help.

Your student's health, safety, and success remain our primary focus as we adjust to the outbreak. Beginning Monday, March 9, we are implementing the following common-sense practices.

- Our cleaning vendor, ProCleaners, will add hours to the daily work schedule everywhere to clean all cleared spaces to disinfect desktops, tables, countertops, bookcases, and high-touch surfaces like railings, doorknobs, keyboards, light switches, water fountains, pencil sharpeners, and chair arms/backs.
- By the end of the day on Monday, "disinfecting kits" will be placed in each classroom, library, locker room, and weight room. The kit includes a 32-ounce spray bottle of disinfectant, a roll of white paper towels, and a ziplock bag of gloves. The disinfectant is safe for students and staff. ProCleaners will check the kit daily to replenish, where needed.
- Lysol wipes will be placed in all libraries and computer labs. There is a limited supply for now, but more are to be delivered by the end of the week and will be placed in all rooms with computers. Students may be asked to use the wipes on keyboards; don’t use the spray disinfectant. Since every keyboard will need to be wiped down every day, it’s a community job. Teachers will be directing new classroom practices, and we expect that our students will help out as needed.
- Proper and frequent hand washing is already a part of our culture, but we will offer frequent reminders, visual step-by-step guides, and the time necessary for every student to practice it.
- Shared school supplies, like classroom pencils and markers, will no longer be offered.
- Our school buses will be disinfected on a daily basis.

What you can do to help:

- Please keep sick children at home. We cannot stress this point enough.
- Please make sure you practice the 20-second hand-washing rule at home.
- Talk to your children about avoiding hand-to-hand gestures like high fives and handshakes.
- Check that your child has their own pencils, pens, and other school supplies, reducing their need to borrow from their teacher or a neighbor.
- Follow public health recommendations like getting plenty of rest and staying hydrated.
- Schools may be in need of donated supplies, like pencils, new markers, and boxes of tissues. Check with your school to see how you can help.

During Spring Break, ProCleaners will install Ecolab hand sanitizer dispensers on the walls near high-traffic entrances and exits on our campuses. The gel for the dispensers is scheduled for delivery on Monday, March 23.

Thank you for being our partners in keeping our students healthy.

Sincerely,

Mary Kamerzell, Superintendent

College Planning Night ~ Tuesday, April 7, 6:00-7:15 pm, CFHS Auditorium

The College Planning Night presentation is open to all interested students/families but especially encouraged for juniors and parents. Mark your calendars and join us Tuesday, April 7, 6:00 – 7:15 pm in the CFHS Auditorium for an overview of the college exploration and application process, including SAT/ACT testing information, in-state/out-of-state options, scholarships and financial aid, helpful resources, etc. (Note: This is a repeat of the presentation given on Feb 5.)

SAT and ACT ~ College Admission Tests

- Students are encouraged to take the SAT and/or the ACT in spring of junior year in preparation for the fall college application process.
- As many students score higher on one test than the other, and colleges always use the higher score, students should consider taking both the SAT and the ACT.
- Very few colleges require the optional essay portion of the exams or the SAT Subject Tests. Check the school’s website to confirm test requirements.
- Go to sat.collegeboard.org to register for the SAT and actstudent.org to register for the ACT. You will need a credit card (test cost is approximately $45) and the CFHS CEEB code which is 030476. Students will also need to upload a head shot for security purposes. Free test prep is available on these websites.
- We encourage families to take advantage of the four free test reports option and select four colleges when registering or at least our state universities which will always consider highest scores (so no negative impact if send higher scores later). Ordering reports at a later date will cost approximately $15 each.
- Accommodations approved for CFHS assessments do not automatically apply to the SAT or ACT exams. Students who want accommodations on upcoming SAT or ACT exams and have not yet gone through the request process should see Ms. Petrillo in the Counseling Office as soon as possible as the requests take time to submit and process. (Students who have been previously approved for College Board and/or ACT accommodations do not need to re-apply.)
- Test fee waivers are available if student qualifies for Free/Reduced Lunch. See your counselor.
- Test dates remaining for 2019-20 are below. See SAT and ACT websites for registration timeline and fees.
  - SAT – Mar 14 (reg by 2/14 or standby), May 2 (reg by 4/3), Jun 6 (reg by 5/8)
  - ACT – Apr 4 (reg by 2/28 or standby), Jun 13 (reg by 4/8), Jul 18 (by 6/19)
- Students who are unhappy with their spring scores may do summer test prep (independently or otherwise) and retake the SAT and/or ACT in Sept/Oct of senior year (see appropriate website for 2021-22 test dates) and still have results in time for college’s early and rolling application deadlines. Students planning to attend UA may also retake the test(s) through senior year to try to improve score and increase scholarship award.
- Test Prep: Students are strongly encouraged to familiarize themselves with the SAT and/or ACT prior to taking an official test by taking practice tests, utilizing the free test prep programs (Khan Academy for SAT, ACT Academy for ACT), downloading test prep apps (e.g., Word of the Day, Math Problem of the Day, etc.), and/or paying for a test prep program such as UA Think Tank’s SAT Prep Course offered in partnership with CFHS Community Schools. A summer session will be held.

ECAP ~ Education and Career Action Plan

Counselors meet twice annually with students by grade level through their English classes to review academic plans and explore colleges and careers. ECAP 9 was held the week of Jan 27; ECAP 10 the week of Feb 3, and ECAP 11 the week of Feb 24. In spring ECAP sessions, students review their course histories and review a four-year plan / credit check in preparation for 2020-2021 course selection. Students also continue to review post-secondary planning. See “ECAP Info” on CFHS Counselor webpage for more information regarding ECAP and MaiaLearning.

RMACAC Spring College Fair ~ Saturday, April 18, noon-2:00

CFHS students and families are invited to attend the RMACAC Spring College Fair which is being held at The Gregory School (3231 N Craycroft) on Saturday, April 18, from noon to 2:00 pm. Over 80 colleges and universities will be represented. For information and a list of attending colleges, go to www.gregoryschool.org. Students are encouraged to register in advance at strivefair.com to avoid having to fill out multiple contact cards.

Credit Recovery: Students who need to do credit recovery for a failed class, or who wish to retake a class to replace a D, are encouraged to contact their counselor to review an academic plan and receive registration information for Summer Course Emporium. Summer Course Emporium (a supervised web-based summer school at CFHS) runs May 26 through July 2 (students may finish earlier) and costs $125 per .5 credit.

CFHS Theatre Presents: "Disaster, the Musical"

New York’s hottest A-listers are lining up for the opening of The Barracuda, the brand new floating casino and discotheque. Also on board is a faded disco star, a sexy nightclub singer with her eleven-year-old twins, a disaster expert, a feminist reporter, an older couple with a secret, a pair of young guys who are looking for ladies, an untrustworthy businessman and a nun with a gambling addiction. What begins as a night of boogie fever quickly changes to panic as the ship succumbs to multiple disasters, such as earthquakes, tidal waves, fire, sharks, and rats! Who will survive? Come aboard this ship to find out and be prepared to sing along!

Remaining Show Dates: March 12, 13, 14 at 7:30pm. Tickets are $12 on Intouch or at the door. They can also be purchased by contacting the CFHS Bursar at (520) 209-8317

Note from the Nurse  March, 2020

Here are some March Health Awareness Resources:

**National Sleep Awareness Month**
We often see students who are requesting pain medication for a headache due to sleep deprivation. We help inform that lack of sleep is very detrimental to the nervous system and is needed for proper brain development. Sleep deprivation is often similar to being under the influence of substances. See: [https://sleepfoundation.org/](https://sleepfoundation.org/)

Screen time can affect sleep patterns. See:

**Brain Injury Awareness Month**
Students from all areas of high school life can accidentally suffer brain trauma and concussion, often leading to a long recovery period, affecting their education and activities. Please help by becoming aware of the importance of early reporting to the coach, athletic trainer and nurse, as well as assessment and treatment by a health care provider, which leads to quicker recovery.

See: [https://www.cdc.gov/headsup/basics/index.html](https://www.cdc.gov/headsup/basics/index.html)

**Drug and Alcohol Awareness Month**
A great resource is: [https://www.samhsa.gov/](https://www.samhsa.gov/) with Tips for Teens on different substances:
[https://www.samhsa.gov/search_results?k=Tips+for+teens](https://www.samhsa.gov/search_results?k=Tips+for+teens)

**National Nutrition Month**
At CFHS we are frequently reminding students to eat breakfast and lunch during their very busy days to help sustain their optimal performance both mentally and physically. Hydration is key as the weather gets warmer.

**Friendly Reminder:**
**MANDATORY HEALTH INFO /EMERGENCY FORMS ARE NEEDED FOR THE SCHOOL YEAR 2020-21**
These forms give updated contact information, consent for emergency treatment, as well as inform of health conditions and allow administration of over-the-counter (OTC) medications: Ibuprofen, Acetaminophen (Tylenol), cough drops and Antacids that we have medical standing orders for. These **signed hard copies** are to be brought to the Health Office directly or dropped off in the front office. Click here for the form:

To all parents, faculty and staff of Catalina Foothills High School:

Catalina Foothills High School does not have any asbestos-containing building materials in its school buildings. However, Catalina Foothills High School is required to comply with the Asbestos Hazard Emergency Response Act (AHERA). AHERA rules regulate activities involving asbestos-containing materials in school buildings.

An asbestos management plan detailing AHERA required information is available for review at the Catalina Foothills Facilities Office located at 4300 East Sunrise Drive, Tucson, Arizona.

If you have any questions regarding asbestos-containing building materials you are encouraged to review the management plan or contact:

Thank you.
What is the FFO?

The CFHS Family Faculty Organization (FFO) is a registered 501(c)(3) charitable organization of volunteer parents & faculty that work together to sponsor programs, events, and to support the school. The success of the FFO is completely dependent on YOU, our parents/guardians who give your time, talents, and financial support to CFHS.

Every adult with a child at CFHS is automatically a member of the FFO. Every parent’s contribution makes a difference in the lives of our children.

Donate · Engage · Volunteer · Support
'Falcon Funds' Direct Donations on website

Please DONATE $100 per student ANNUALLY at: WWW.CFHSFFO.ORG

The FFO gives back to the high school by supporting our staff and students. We help enhance the experiences your students enjoy in the classroom by funding many things including guest speakers and capital purchases such as shade structures. In addition, we host special events such as Fall Fling for all students and Grad Night for graduating Seniors. We truly appreciate your tax deductible donations!

We Need You!

I would like to ask you to consider stepping up to a leadership role in the FFO. We need to fill the positions of president and secretary for school year 20/21. By serving in one of these roles you would support the teachers and students at CFHS with vital resources without having to give too much of your time. There are two meetings a month – an executive committee meeting and the general FFO meeting.

Come be part of the team that supports teachers school wide to benefit ALL students here at CFHS. You would be supported by our staff and the difference you could make in our community is immense.

Have fun while making a difference! Be where the action happens in your kids school! Email me at cfhsffopresident@gmail.com to get started.

FFO General Meeting - March 17

BACK BY POPULAR DEMAND! Speaker Kathleen Kirk
One of the most requested speakers will be back to provide simple and effective techniques on getting your kids to follow through on what you ask, and on improving communication for results.

- Come with your questions.
- Learn new techniques on working with your teen.

Thank you for supporting your Family Faculty Organization (FFO).

Sincerely,
Marianne Fett
CFHS FFO President
GRAD NIGHT 2020

Sign Up Genius for Grad Night Link:

**We Need 10 More Senior Dads** - to be a Dancin’ Dad…. a fun way to give back and entertain the graduating class. Sign up through sign up genius link above, meet other dads and get ready to laugh. Practices start in April and the show will be around 10:00 pm the night of Grad Night.

**We need 9th, 10th and 11th grade parents to volunteer at the party**- Grad Night provides a safe, fun night for the graduating class. It takes a lot of volunteers to run an all night event and we need NON SENIOR parents to support and volunteer at the event. If you volunteer this year with an underclassman, you are paying it forward so that we can continue to have this awesome event when you have a senior. We need medical personal to be present that night so if you are a RN, MD, NP or DO please volunteer. Sign up for all volunteer shifts through the SignUp Genius link above. Senior families are welcome to volunteer leading up the night.

**Raffle Prizes** - We are looking for donations. Prizes have included TV’s, dorm fridges, Apple products, laptops, restaurant or clothing gift cards but we will take anything a senior would love. You can drop off raffle prizes in the office. If you are interested in making a cash donation please donate here  https://squareup.com/store/catalina-footills-high-school-ffo/item/donation-for-raffle-prizes

**Senior Families** - Please buy your ticket as soon as possible to help us budget and plan. Tickets are available through the Intouch system and through the Bursar’s office.

**Sponsorship Opportunities** - are available including table sponsors, t shirt sponsors and back pack sponsors. These funds help underwrite our event and allow us to be able to have all of our fun activities. Sponsorships can be made here  https://squareup.com/store/catalina-footills-high-school-ffo/item/grad-night-t-shirt-sponsor
