Dear CFHS Parents/Guardians,

I would like to take this opportunity to congratulate the six CFHS seniors and one early graduate who were named Semifinalists in the National Merit Scholarship Corporation (NMSC) on September 11th. Dr. Kamerzell and the School Board will honor these students on October 8th at the school board meeting. These academically talented seniors are among 16,000 Semifinalists nationally who will have an opportunity to continue in the competition for some 7,600 National Merit Scholarships worth more than $31 million that will be offered next spring.

Open Enrollment families, please see page 3 for important information from Dr. Kamerzell regarding the Open Enrollment Program for the 2020-2021 School Year, which opens November 1, 2019.

Thank you to the CFHS Student Council members for hosting an amazing week of homecoming events. The planning included: spirit days each day of the week; a Thursday night bonfire with entertainment, food and a place for students to gather; a pep assembly with the reveal of the 2020 Grad Night theme; the student section cheering on the varsity football team vs CDO; and hosting the Homecoming school dance in the gym on Saturday October 5th. Student Council has shown great leadership, organization and creativity in each of the events they have hosted so far this year. We are thankful for their dedication and hard work in supporting the school and the CFHS student body.

Re: CFSD Open Enrollment Program for the 2020-2021 School Year

The Catalina Foothills School District (CFSD) will begin its open enrollment application procedures for the 2020-2021 school year on **November 1, 2019**.

Pursuant to A.R.S. §15-816 all Arizona school districts follow a prescribed procedure and timetable for admitting out-of-district transfer students and resident transfer students (those who live in the District but are attending a school outside the attendance area of their residence). All students who currently attend CFSD schools and reside in other districts, and all CFSD resident students who attend a school outside of the attendance area of their residence, are impacted by this law.

We require **all open enrollment students to apply for admission each year.** Therefore, if your child is a resident transfer (open enrollment) student and you want him/her to continue in that capacity, or if your child resides outside of the district, either as a continuing or a new open enrollment student, please complete an open enrollment application online **between November 1, 2019 and January 31, 2020**.

**Open enrollment applications and information regarding the application process are on the district Web site, www.cfsd16.org** (as of November 1, 2019). Under Parents, select Open Enrollment.

Electronic applications must be submitted **no later than January 31, 2020**. Decisions about admission, based on capacity, will be made by March 1, 2020. At that time, all applicants who applied during the application period will be notified by email whether their applications were accepted, waitlisted, or declined. **Note: A separate application must be completed for each student.**

Please keep in mind that annually, the open enrollment process involves three steps: application, notification of our decision and, if accepted, online registration.

- Select from the Available Dates, and then choose a time that works best for you to meet with the teacher.
- **You can complete this for all of the teachers listed.**
- At the high school, **10-minute** conferences will be held:

  **Monday conferences will be held in the Library and Cafeteria**
  b. Tuesday morning, October 10th, 7:35am - 8:15am (last conference begins at 8:05am)
  c. Tuesday afternoon, October 10th, 3:45pm - 4:25pm (last conference begins at 4:15am)
  
  **Tuesday conferences will be held in teachers’ classrooms.**

**Problems?**

If you can’t log into ParentVUE, please email Ann Margolis (amargolis@cfsd16.org).

If you are able to log in to ParentVUE, but are still unable to schedule conferences, email Justin Robinson (jrobinson@cfsd16.org).

Illness /Flu Season:
Please remember to keep students home if they have a fever over 100 degrees, are coughing persistently, are vomiting, or have diarrhea. It is better for students to stay home one day and get better, than come to school and prolong the illness. Encourage frequent hand washing, use of hand sanitizer and consider getting a flu shot for your family.

Please be aware of the following highly contagious illnesses:

**Influenza Flu:** Exclude from school until fever-free without Acetaminophen/Ibuprofen. The Center for Disease Control (CDC) recommends getting the flu shot every year before flu season starts. Influenza virus has a rapid onset and is usually accompanied by a fever, body aches and respiratory symptoms. For more info, see [http://www.webmd.com/cold-and-flu/flu-guide/is-it-cold-flu](http://www.webmd.com/cold-and-flu/flu-guide/is-it-cold-flu)

**Streptococcal Bacterial Infection (Strep Throat):** Exclude until 24 hrs after antibiotic use and fever-free without Acetaminophen/Ibuprofen. Symptoms may include: severe sore throat, fever, body aches, rash. See healthcare provider. If untreated, there is a potential heart risk.

**Conjunctivitis (Pink-eye):** See a health care provider and keep your son/daughter home for 24 hours of treatment before returning to school

**Infectious Mononucleosis Viral Infection (Mono):** Exclude from school until fever-free without Acetaminophen/Ibuprofen. Symptoms can include fatigue and weakness, sore throat, fatigue, listlessness, fever, skin rash on the neck or shoulders, jaundice, loss of appetite. Symptoms may last 2-3 weeks or up to 2-3 months before one feels better. Avoid close contact such as kissing, hugging, or sharing eating utensils, cups or food with an infected person, as it is spread through saliva. Encourage frequent hand washing, especially after touching the face and mouth area. Treat fever and discomfort with medication recommended by Health Care Provider. Much rest is needed. For more info, see [www.cdc.gov/epstein-barr/about-ebv.html](http://www.cdc.gov/epstein-barr/about-ebv.html)
