Athletics

If you are interested in participating in athletics, please refer to the [CFHS Athletic Website](#) for all information. Questions about athletics can be directed to the Athletic Office at 520-209-8412.

Fees/Lunch Accounts

Parents can pay course or athletic fees and add money to student lunch accounts using the [InTouch](#) payment platform.

Parking - 11th and 12th grade only

Student parking on campus is a privilege, not a right. Parking permits are available to qualified seniors (those with a 2.0 GPA or better who have not lost parking privileges during the previous school year and who have good attendance/discipline records). Qualified juniors (2.0 GPA or better and good attendance/discipline records) will be eligible to enter the lottery for remaining available parking spaces. Eligible seniors will take priority over juniors as spaces are available throughout the year. Sophomores are not allowed to park on campus. The cost of the permit is \$125.00. Refer to the [CFHS Parking website](#) for more parking permit information and the necessary forms.

You will receive additional information from us as we approach the first day of school. In the meantime, enjoy the last few weeks of the summer.
