VIII. FFO Updates

Eileen Pastorious

- Eileen and Monisha - Fall Fling was a huge success; grad night is in the planning process - Men In Black is the theme, price is \$100 and no profit; staff appreciation under way; clothing drive for Big Bro's Big Sis's - donations being accepted from Nov-beginning of Dec; hosting college reps in person again - more and more students attending

IX. Counseling Updates

Robin Larson

- ECAP 12 and 11 lessons completed, ECAP 10 coming up the week of the 17th
- Counselors meeting with more students individually this year
- Will be running two 6-week small counseling groups per semester, along with the PRISM club
- Discussion on what MaiaLearning is, and how we use it as our career/college exploration tool (for ECAP lessons, colleges applying to, transcript requests, letter requests, and data can be provided from Maia showing where our seniors go, and we can find former CFHS graduates to connect with current CFHS students upon request)
- Falcon Connections Day - we will be hosting another one in early spring
- AzCC Fair held Sept 16, UA/ASU/NAU Night coming up Oct 17
- Seniors encouraged to apply to one or more colleges by the end of October - we can check in Maia who has not applied or requested a transcript yet, and call out seniors and email them to ask if they need help
- College Application/Planning Lab - Room 110, every Monday from 2:30-4 pm through January

X. School Updates

Jody Brase

Site Council Focus:

- Next meeting we can look at as a group, what things we want to focus on as a group
- PSAT is scheduled for Oct 25
- Study Cafe and resources were our focuses last year, and this year we want to continue to pay teachers for additional support hours, and NHS continuing with tutoring in the library each AM
- School improvement using CCRA, AzMerit, now ACT, and what we can do to support those lower percentile students to improve their skills/scores
- Falcon Connections Day will be brought back
- Climate and culture on campus - how can we enhance campus life even more
- Mental health - providing opportunity for students to connect more
- As a group, let's think about what we may want to focus on this year
